Trade Association Contributions

DaVita makes payments to 501(c)(6) trade associations that may engage in lobbying activities on the Company's behalf to advance the public policy interests of the Company, its patients, teammates and stockholders. Typically, the Company will disclose the top five trade associations to which it made payments for the prior six-month period. However, for the period of July 1-December 31, 2023, the Company only made payments to four such trade associations, which are:

Top Trade Associations July 1 – December 31, 2023
1. Business Forward
2. HR Policy Association
3. Northwest Kidney Council*
4. Ohio Renal Association*

*Indicates that a DaVita teammate or affiliate serves on the Board or in another similar leadership position with this trade association.

The following is an itemized list of the non-deductible portion of dues and payments made by the Company to U.S. trade associations, where total dues paid and payments made in the preceding twelve-month period (January 1 –December 31, 2023) equal or exceed $50,000.

DaVita's Position on Key Policy Priorities

As a general matter, the lobbying and advocacy efforts of DaVita's federal and state government affairs teams are intended to educate individuals elected to federal and state public office and those who serve in governmental agencies about kidney care issues, the challenges patients with kidney disease face and efforts relating to our teammates. DaVita's bipartisan lobbying and advocacy focus areas include, among other things:

- Providing integrated care to our patients
- Innovating in home health
- Stabilizing payments under Medicare and Medicaid
- Ensuring dialysis patients have a choice of health insurance coverage
- Promoting chronic kidney diseaseeducation, home dialysis, and access to transplant
- Health equity among patients with kidney disease
- Ensuring that health care models related to kidney care can be implemented in an effective and efficient manner
- Restoring the protections under the Medicare Secondary Payor Act for dialysis patients
